SHAUN F. CARROLL, being duly sworn, deposes and says:

1. I am a member of the firm of Nourse & Bowles, LLP attorneys for Plaintiffs.  
It is respectfully requested that the accompanying draft Order appointing Karlene S. Jackson, and/or any other person appointed by Nourse & Bowles, LLP, who are persons over the age of 18 years and not parties to this action, be signed. The appointment is deemed advisable in order to facilitate service because of the shortage of deputy marshals available to make such service expeditiously.

2. In addition, and to avoid the need to repetitively serve the garnishees/banking institutions, Plaintiffs respectively seek leave, as embodied in the accompanying proposed orders, for any Process served on a garnishee to be deemed effective and continuous throughout any given day on which process is served up through the next day, to authorize service by facsimile or email following an initial service of the process by hand, and to deem such facsimile or email service as being accomplished within the district if it is transmitted from within the district.

No previous application has been made for the relief sought.
